Chuck Wyatt is the Owner and Instructor of The Car Teacher, which offers basic automotive care classes for everyone. In this 2-3 hour class, you will learn the basics ... Know your vehicle; learn how to change a flat tire, check tire pressure, jump start a vehicle and check engine oil levels; and learn how to change your own air filter, change your own wiper blades, clean your battery cables, check and replace a blown fuse and much more. He is offering a spring special ... just \$30.00 for this class. Call him at 890-8013 or visit his website at www.carteacher.com.
