

May 6, 2010

Pam Russom is the President of Flyline Search Marketing that is a full service Internet Marketing Agency. A recent study showed that 97% of Albuquerque is shopping online for product or service! Pam talked about the “New Face of Marketing” or changing the way you advertise to the way the customer is buying. Your new marketing plan should start with an online foundation – your website. To learn more of what Pam can do for your company, call her at 505-328-4321.
