In 1776, John Adams thoughts on government said, "It is the duty of all men in society, publicly, and at stated seasons, to worship the SUPREME BEING, the great Creator and Preserver of the universe. And no subject shall be hurt, molested, or restrained, in his person, liberty, or estate, for worshipping God in the manner most agreeable to the dictates of his own conscience; or for his religious profession or sentiments; provided he doth not disturb the public peace, or obstruct others in their religious worship." What has happened to America? Nanette Malher founded a website www.keeptogodinaamerica.com and has made this her mission to get God back into America and keep Him here. She has also written and produced a song "In God's America" that can be downloaded from her website. Visit her website today!
