Laurie G. Westlake has been journaling to God for many years. During one of her journaling sessions, God encouraged her to continue on with these thoughts and the result was her first book “The Quest for the Life Tree”. While God make men more physically strong, He also made women strong but in a different way. In this book, Laurie shows us that God calls all of us to be warriors for His Kingdom. A life following Christ means a life of adventure. To enjoy this adventure, you want to buy this book today! It is available at Barnes & Noble or go to www.tatepublishing.com/bookstore/book.php?w=978-1-61566-429-0
